

Tic-Tac-Toe!

Music Class From Home

Grades K&2

Directions: Pick one square per week to make Tic-Tac-Toe! Can you get Tic-Tac-Toe more than one way?

<p>1 <u>Sing to a Stuffy</u> Sing a song to your favorite stuffed animal. Try Twinkle Twinkle Little Star, Baby Shark, Happy Birthday, or any song you know! Optional: Help your stuffed animal sing in a high or low voice.</p>	<p>2 <u>Make Your Own Moves</u> Listen to your favorite song. Add hand movements or dance moves to it. Practice 3 times, then perform for a family member!</p>	<p>3 <u>Make a Drum Set</u> Create your own “drum set” from household supplies. Try using pencils to tap on plastic containers, or pots and pans. Get a parent’s permission before using things! Make your own beat!</p>
<p>4 <u>Favorite Song</u> Find your favorite song and sing it for a family or friend. OR list what you instruments or sounds you hear in the song. See if you can add a beat or melody to it!</p>	<p>5 <u>Sound Walk</u> Go for a “sound walk” outside in nature. Listen to every sound you heard, no matter how small! Make a list of all the sounds. Listen for bird chirping, your footsteps, and the wind. Music is in nature!</p>	<p>6 <u>Classroom Song</u> Sing a song you learned in class to 2 others. Even if it’s a pet! Do you remember? Here’s a list!</p> <p><i>Frog in the Meadow</i> <i>Doggy Doggy</i> <i>Charlie Over the Ocean</i> <i>Grizzly Bear</i></p>
<p>7 <u>Sing a Storybook</u> Find any storybook you have in your house, and see if you can SING it instead of just reading it. Be creative and make your own melody. There are no wrong notes! If you’re brave, sing to a family member!</p>	<p>8 <u>Freeze Dance</u> Find a friend, parent, or sibling to play and freeze the music for you! Dance to the music, but freeze everytime the music stops! If you move, you’re out! Try again! Move your body in new ways and have fun!</p>	<p>9 <u>Make a Shaker</u> Find a container (jar or plastic container) and add sand, rice, or beans. You made your own shaker! Put on some music and keep the beat along with it! Make music with your family!</p>
